Principal's Report – Kris Brown

In reflecting upon the year's events including - Westfest, tree lot, Al Jarreau, Dinh's death, the \$80,000 grant for new computers, auction, new math program, annual fund kickoff – it is a privilege to be part of this community.

Our first Annual Fund drive raised approximately \$83,000 in pledges.

Holy Rosary did very well in the ITBS testing – above the 98th percentile.

We will be hiring only 1 new teacher next year, Christina Clarke, to replace Sarah Hill who is going to teach at Fatima.

Vice Principal's Report – Pam Sturgeon

No report.

Standing Committee Reports

No Standing Committee Reports this month. Thank you's to all committee chairs and volunteers who staffed them.

Program Presentations – Youth Ministry: Our Lady of Guadalupe and Holy Rosary – Fr. Jack and Colleen Harris

The youth ministry program is built around the liturgy. The program needs to be relational and the kids need to feel that people care. We have a long way to go in making this ministry work. Both assemblies, OLOG and HR need to come together to make this ministry succeed.

5:30 Sunday night at OLOG is the youth and family mass. In the fall, the junior high youth group (7th and 8th graders) meet before mass. This will be a new program.

Parents need to be supportive of this ministry. Make this a family priority.

Next Parents Club Meeting: October 20, 2005

Hospitality begins at 6:15; meeting begins at 6:30. Childcare is available in the library for \$1.00/child.
