

Holy Rosary School Consent to Use Student Art Work

Students who attend Holy Rosary School are occasionally asked to be a part of school publicity, publications and/or public relations activities. In order to guarantee student privacy, and ensure your agreement for your student to participate, Holy Rosary School asks that you and the student sign and return this form to the school for each of your children.

The form below indicates approval for the student's name, art work, or art/written work to appear in school publicity or publications, videos, and on the website. These pictures and articles may or may not personally identify the student. However, Holy Rosary School would like to credit artists with their work by using their names. The pictures and/or videos may be used by Holy Rosary School in subsequent years.
