First preference is given to families who already have children attending the school. Priority is then given to those that have been registered, contributing members of Holy Rosary Parish (as determined by the Parish Office), then to Catholic, non-parish families and then to non-Catholic families.

3. Have a stewardship commitment card on file (updated yearly) with the Parish office. The minimum giving expectation is \$70 monthly (This equals \$840 per year).The family’s financial contribution to the parish needs to be received regularly by the parish through the use of contribution envelopes provided to registered parishioners or through electronic funds transfer.
4. Families new to Holy Rosary School will be considered eligible for the in-parish tuition rate when they have been registered for 6 months and have met the above criteria, or when they have provided the school and parish office a written statement from their previous pastor about their active engagement in worship and regular financial support at their previous parish.
