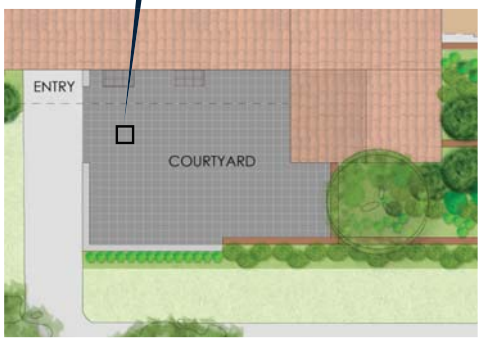
Become a Part of History!

Purchase a commemorative paver that will mark Holy Rosary Parish's centennial celebration. A minimum donation of $100 will help support the Centennial Celebration actvities, as well as honor our founders and inspire our future parish community.

These 12" x 12" pavers will grace the courtyard outside the newly renovated Parish Center. Names of individuals, families, or even school classes can be engraved to remember our supporters.



There is a limited number of pavers available so please order now by completing the form below. Drop it off with your donation to the parish office or mail to:
