Green Team Tips and Buying Suggestions

- If you're planning on purchasing a new water bottle for the coming school year consider buying an environmentally safe water bottle.
Visit: www.kleankanteen.com for water bottle suggestions.
- Consider wrapping your child's sandwich in a reusable sandwich wrap. The wrap can also be used as a handy place mat. It's a great alternative to the disposable sandwich bags piling up in our landfills. Visit: www.wrap-n-mat.com
You can save on shipping costs by grouping your online orders with neighbors and friends.

- Consider reusing last year supplies for the coming school year. Such as: Backpack, pencil box, pens, ruler, according file and binders.
- Consider donating and purchasing your child's uniform at the used uniform sale.
